

HOW TO CONNECT A WINDOWS DEVICE TO FC WI-FI

SUMMARY

Fullerton College provides Wi-Fi coverage for Staff and Faculty. If you are a Windows OS user, please follow the instructions below to connect to the Employee Wi-Fi Network. This includes but is not limited to the vast device models that use the Windows OS platform, such as Surface Pro, HP Laptop, Acer Laptop, and or many.

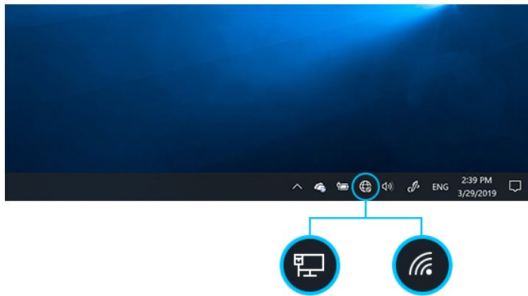

Updated: August 29, 2022

PREREQUISITES

- FCNet E-mail address, example: BBee@fullcoll.edu
- FCNet Password

INSTRUCTIONS:

1. Click or Tap on the **Network icon** at the lower right of your taskbar

2. Select **Employee** Wi-Fi Network
3. Select the checkbox to **Connect Automatically** and click **Connect**
4. Select the Username field to enter your **FCNet E-mail Address** in the following format, for example: **fc\bbee@fullcoll.edu**
5. Select the Password field to enter your **FCNet Password**
6. Select **OK**
7. When you are successfully connected to the **Employee** Wi-Fi Network, you will see "**Connected, secured**" below the Wi-Fi Network name
